Technology

Into the CAGE

Two fighters step into the **cage**. They are ready for a fight. Mixed martial artists punch, kick, and wrestle. They give everything they have to win.

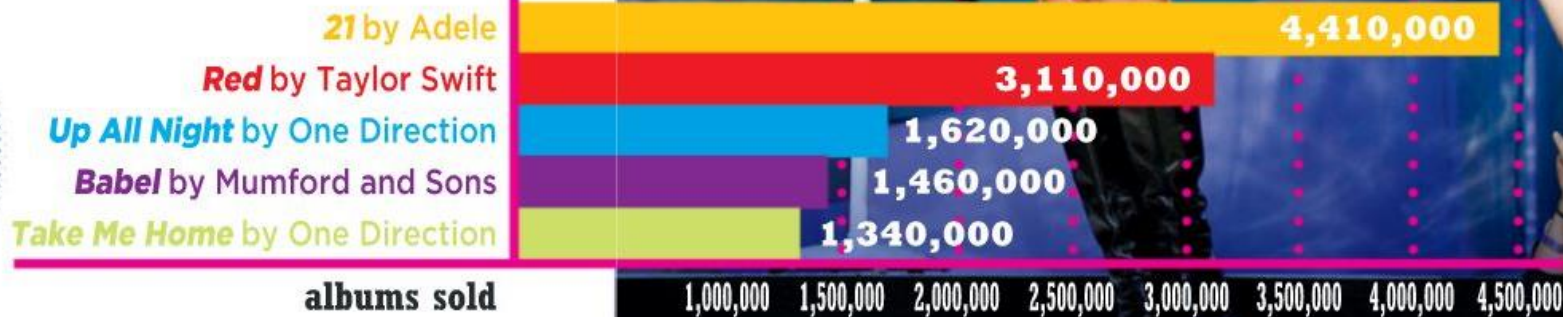

Mixed martial arts (MMA) fighters are tough. Turn the page to see how your favorites rank.

Making It **Big**

Swift didn't slow down after her first album. Her next album was *Fearless*. It was the 2009 top seller in the United States. *Speak Now* came out in 2010. That album sold more than 1 million copies in the first week. Swift released *Red* in 2012. In about two months, it was the year's second top seller.

2012**

Loud and Fast

The Formula 1 (F1) car screams down the track. It's going almost 200 miles (322 kilometers) per hour. Suddenly, the driver slams on the brakes. Tears from his eyeballs hit the **visor**. He makes a quick turn and rockets away.

Attacked by **Bees!**

A farmer in Texas drove his tractor over a pile of wood. He heard the wood crunch. Then, he heard buzzing. Suddenly, 40,000 bees were on him. They stung him thousands of times. The farmer couldn't survive.

connections

Two Types

Sloths are amazing, and very slow-moving, animals. There are two families of sloths. Three-toed sloths have three toes on each foot.

Two-toed sloths only have two toes on their front feet. They have three toes on their back feet.

BEDBUG LIFE CYCLE

UFO

Stories

People around the world have UFO stories. Many World War II pilots reported seeing round objects near their planes. The objects looked like fireballs. Pilots called them “foo fighters.” No one has been able to explain what the pilots saw.

Former president Jimmy Carter thought he saw a UFO in 1969.

The ATHLETES

Usain Bolt Jamaica

The pistol fires! Just 9.63 seconds later, the race is over. Usain Bolt has dashed across the finish line. The 2012 Games were held in London. There, Bolt broke an Olympic record. It was for the 100-meter sprint. He did well in the 200-meter race too. He won both races at three Games in a row.

Bolt's 100- and 200- meter wins
