

The monthly newsletter for World Book Online

April is Financial Literacy Month

April is Financial Literacy Month, which aims to empower individuals with the knowledge and skills necessary to make informed financial decisions, plan for the future, and achieve financial stability. World Book Online is full of resources to support learning during Financial Literacy Month, from articles to games, there is something to engage every learner. Use the Life Skills feature in Discover to read an in-depth article on "Gaining Financial Know-How" or explore topics like investing or saving money with the Building Blocks of Finance series in either print or eBooks. For more ideas on how World Book Online can educate during Financial Literacy Month check out our [teaching documents](#) or join us for a short webinar on April 8th.

Solar Eclipse on April 8th

You may have heard that there will be a total solar eclipse is on April 8, 2024. But what does that mean? Read all about what an eclipse is and other space related things with World Book Online articles or World Book eBooks. You could even send your children or students on a guided quest to learn about solar eclipses with a WebQuest that is ready-made and available in *Kids*, *Student*, and *Advanced*.
