

The monthly newsletter for World Book Online

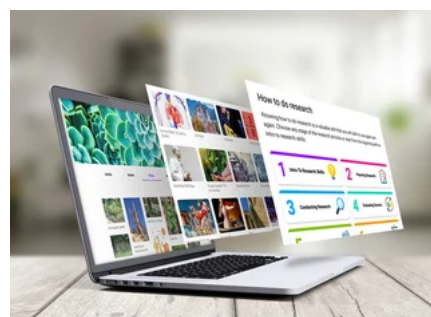

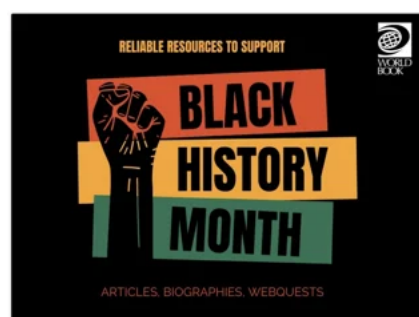

February is Black History Month

Black History Month is an important time to celebrate the accomplishments and contributions of African Americans throughout history. It is a time to recognize the significant impact that Black individuals have had on our society and to promote understanding and awareness of their history and culture. World Book is a great resource in helping you prepare for, educate about, and celebrate Black History Month! World Book Online is full of information and activities to help learn about important people, events, and contributions of Black Americans. Use our teaching topic documents and eBooks title list or join us for a live webinar to get ideas to use World Book Online to support learning about these important topics.
