

The monthly newsletter for World Book Online

March is Women's History Month

Women's History Month is celebrated annually in March to honor the vital role women have played in shaping history and society. World Book is full of information and activities to help learn about the contributions of important women! Check out the newly updated Behind the Headlines feature in *Student* where our editorial team features a variety of amazing women. Use our teaching topic documents and eBooks title list for more ideas or join us for a live webinar to get ideas to use World Book Online to support learning about these important topics.
