

# Lesson Ideas for Home

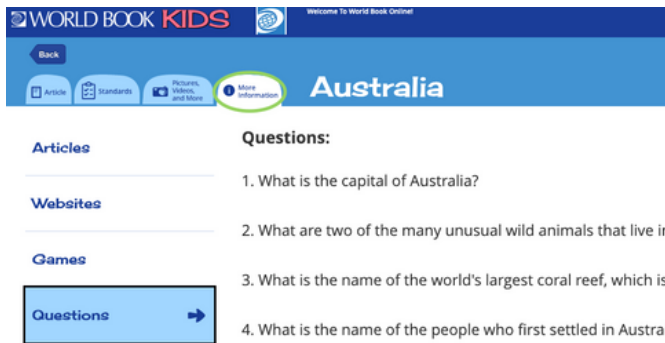

## Learning at Home with World Book Kids

Check out World Book Kids to try some of these lessons at home with your children!

Perfect for elementary-aged children and available 24/7!

## Learn about a country!

1. Type "Australia" in the search bar.
2. Click on the Australia article. Click on **More Information** and find the questions.
3. Have your child read the article and answer the questions during reading, or as an assessment after reading.

4. Complete the Australia Crossword found under **Games** → Crosswords

5. From the Home page, visit **Maps & More** → Outline Maps & Flags → Australia. Print and color the different locations in Australia.

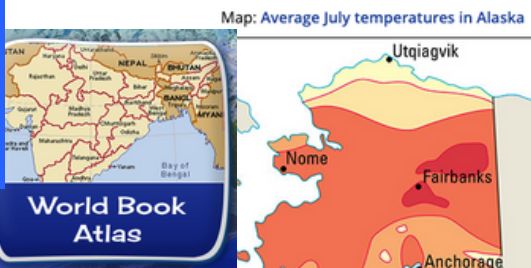

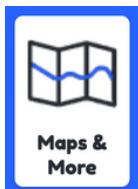

6. From the Home page, click on **Compare Places** and compare Australia to different countries!

## Plan a trip!

1. Plan a trip to a place you'd like to visit.
2. Have a child research a place they would like to visit.
3. Use the **Atlas** and **Maps** to plan out how they would get there
4. They can research the climate to decide what clothes they need to bring and make a packing list for the trip.
5. Make a list of activities you might do while visiting.

Map: Average July temperature in Greece

# Conduct a science project or activity!

We have lesson plans to accompany many of our games, science projects, and activities found in *Kids*.

1. To access these → Go to the *Kids* Home page
2. In the top-right corner, click on **Educator Tools** → **Lesson Plans**

Each lesson plan comes with a list of materials, procedures, and links to World Book Articles and has discussion questions to ask your child.

## Write about an interesting person!

Not sure who you want to look up? Lets find someone!

Choose a job or achievement below

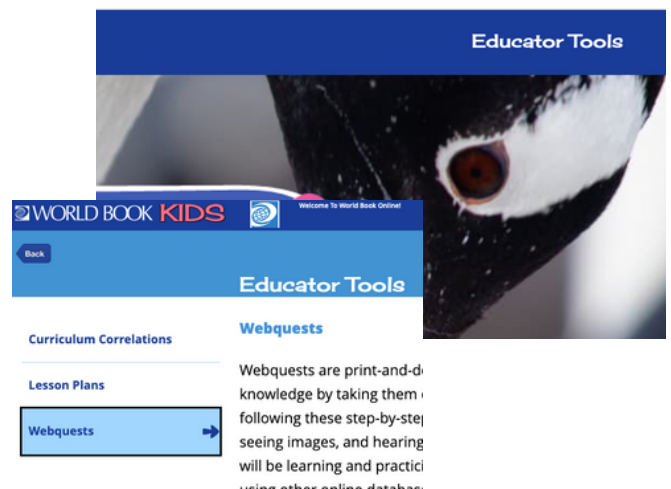

1. Have a child choose a person they want to research in **Important People**.
2. They can write a small report about the person or make a poster using images from World Book Online.

## Complete a WebQuest

We have WebQuests on a variety of topics that are ready-to-go for your kids.

1. To access these → Go to the *Kids* Home page
2. In the top-right corner, click on **Educator Tools** → **WebQuests**
3. Print one out and let your child look up the answers in *Kids*.

**\*\*The last page of each WebQuest has the answer key.\*\***
