

Tips for Teachers

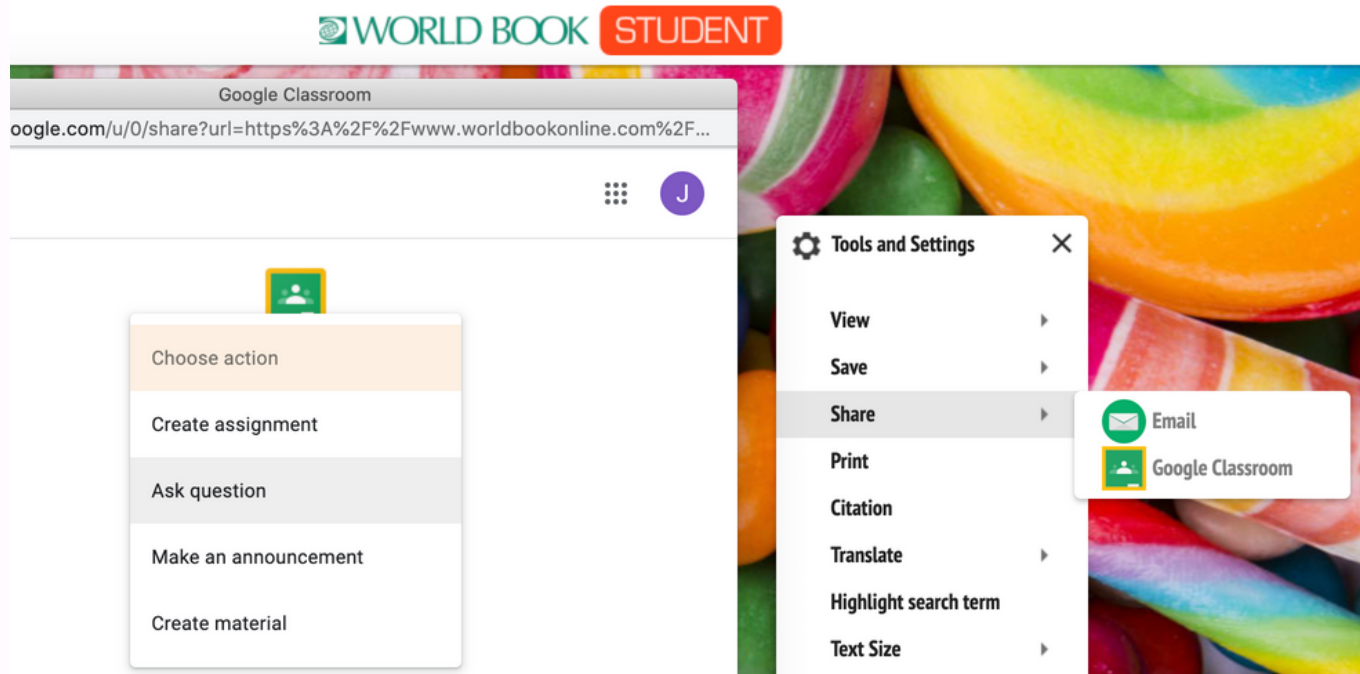

Going Back to School with World Book Online

Integrate World Book with the tools you already use!

- Make access easy for students using platforms like Clever, ClassLink, Schoology, Canvas, or Google. Once integrated, students can use these logins to access World Book!
- Share content or create assignments using Google Classroom, Google Drive, One Drive, or Schoology.
- Or simply share content using direct links or by email!

Google Classroom:

Share material, ask questions, or create assignments directly from a World Book article!

Direct Links:

Save your students time and make sure they find the correct resource by using direct links.

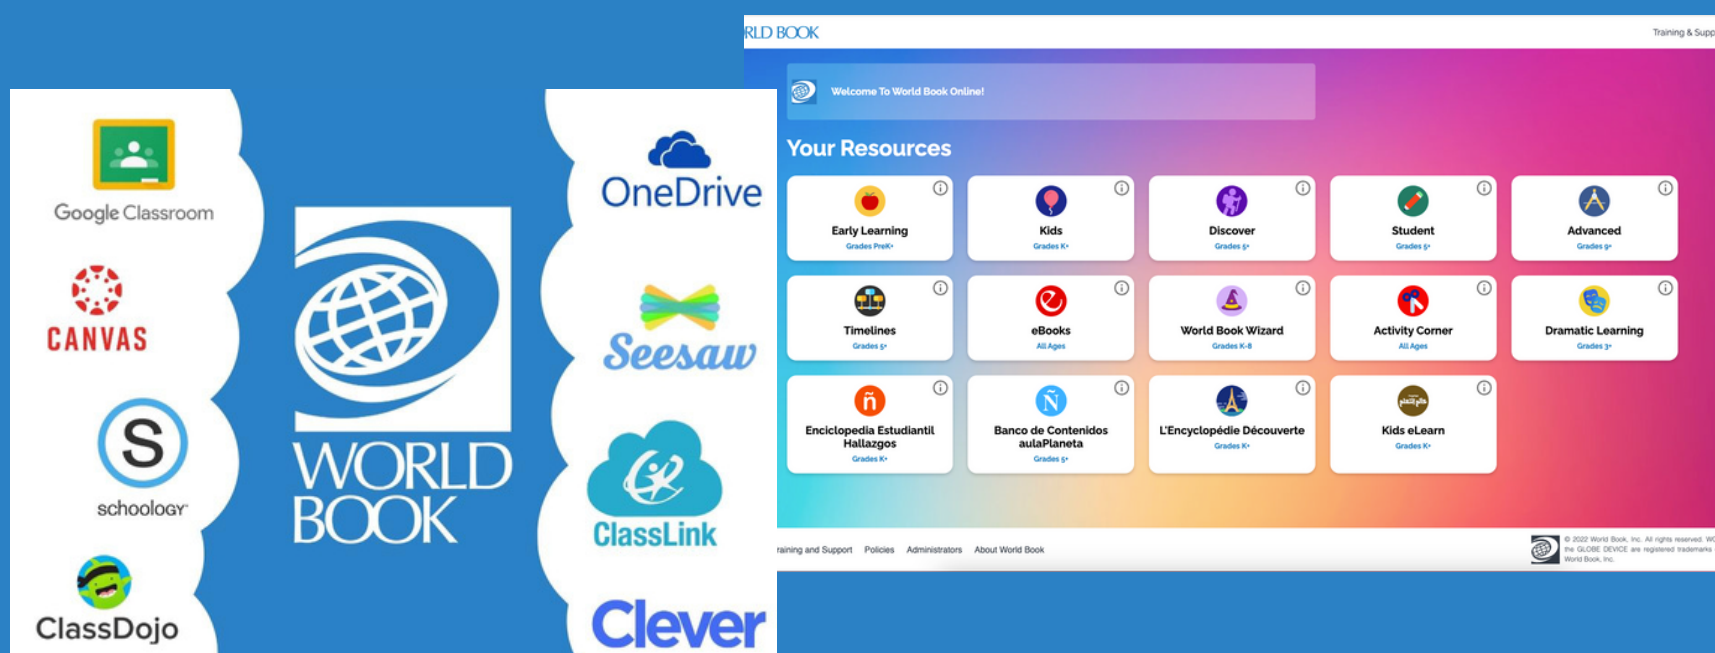

As long as they're logged in to World Book, students can be taken straight to the intended resource.

For help with this or to share a direct link for eBooks, [click here](#).

Watch and Learn:

Watch our webinar, [Integrate World Book into your Learning Platforms](#), to seamlessly add World Book to your arsenal of classroom resources!

Check out our complimentary, weekly webinars to learn new tips, tools, and tricks for using World Book in your classroom and stay up to date on our products.

Free Materials:

Let students and parents know they have access to World Book from home. Share posts on parent communication platforms, send a letter home with log in information, and more!
