

RELIABLE RESOURCES TO SUPPORT

NATIVE AMERICAN HERITAGE MONTH

WEBQUESTS

Send students on a guided quest through relevant topics like the Inca Civilization or Maya Civilization. Available under **Educator Tools** in Student and Advanced. Or, flip the activity and have students design their own quest for a classmate to complete.

READ

Search for content in *Kids*, *Student*, *Advanced*, and *Discover*.

Visit the **Biography Center** in *Student* or **Important People** in *Kids* to search for important figures.

TIMELINES

Learn about concepts in a new way with interactive timelines! With a **My World Book Account**, students can edit timelines, add events, or create their own. A fun, project-based way to dive into Native American history.

SHARE

Send students to relevant articles, eBooks, and other content using direct links!

TEST KNOWLEDGE

If *Wizard* is part of your subscription, you can find **drills & courses** to test students' knowledge of Native Americans.

ACTIVITIES

Try hands-on activities from Activity Corner such as **Weaving Cattails** or **Historical Trails**.
